**Christ Centered Learning Experience!**

*“Train a child in the way he  
should go, and when he is old he will not turn from it.”*

## Our Mission Statement

**Our mission at Faribault Lutheran School  
is to provide high quality,  
values-based education in a loving,  
Christian environment.**

*Christian values are taught throughout the day.*

## Our Purpose

*To partner with the home in teaching the love  
of God to His children.*

*We offer many ways for parents to stay connected with  
what is happening at school through weekly letters from teachers,  
a weekly school newsletter, and a new web site.*

**To develop the “whole child” through a  
balanced, quality curriculum in**

**combination with basic life skills such as  
responsibility and integrity,  
which will prepare them for a successful future.**

*We offer smaller class sizes, which makes it possible to  
provide personal attention for each student.*

*Academics is probably our strongest feature. Several of  
our students have gone on to be academic All-Stars or  
valedictorians of their senior classes.*

*“We can always spot an FLS student because  
of their excellent study habits and polite manners.”
